Ms. Henney: Regarding Docket 99P-0033/CP 1

Please take the needed action on the Humane Farming Association's petition to put an end to the practice of feeding dead pigs, horses and other animals to other farm animals. Cows are not meat eaters by nature and they shouldn't be forced to eat dead animals.

Please help put an end to this awful practice of feeding dead and diseased animals to farm animals.

Thank you.

Sincerely,

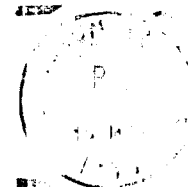

Kenneth S. Gregg
